Living and living in Dornbirn

- **Porrr specialised civil engineering:** Excavation support and pile foundation
- **Nägele structural engineering:** master builder work
- **IAT:** Blacktop and tinsmith work
- **Nägele civil engineering:** Asphalting work

The residential complex comprises 16 modern flats, which were completed in a construction period of just 16 months. The attractive shingle façade gives the complex a special aesthetic and blends harmoniously into the surrounding cityscape. The residential complex also has an underground car park with 18 parking spaces.
